OUR STORY

A New Way to Learn. A New Way to Teach.

Education is not one size fits all.
Every student is different, and every
talented teacher deserves an opportunity.

Teechly brings them together:

Students find
personalized learning

Parents find
the right teacher

Teachers find
new opportunities

Mothers can explore
flexible teaching

Young educators can
share their knowledge

When the right teacher
meets the right student,
learning can change everything.

WHAT IS TEECHLY?

Connecting the Right Teacher with the Right Student

Teechly is a personalized education platform connecting students and parents with teachers based on their individual learning needs.

OUR MISSION

Making Personalized Education Accessible to Everyone.

We aim to bridge the gap between students who need personalized attention and teachers who are ready to provide it.

We believe education should be personal, accessible, meaningful and create opportunities for all.

OUR GOAL

One Student. One Teacher. One Right Connection.

- ✓ Help every student find the right teacher.
 - ✓ Help every parent make a confident choice.
 - ✓ Help every good teacher find the right opportunity.
 - ✓ Help every talented individual discover the potential of teaching.
-

OUR FUTURE

Building the Future of Personalized Learning.

Our vision goes beyond tuition. We aim to build a connected education ecosystem where students, parents, teachers, mentors and learning resources come together through technology – creating limitless opportunities for growth.
